Why Do I Need That? I Can Study the Bible On My Own!

Sound familiar? Maybe that's even what you're thinking right now. Yes, you can study the Bible on your own. In fact, you should! Personal Bible study is essential for deepening your relationship with God. But as Rick Warren says in *The Purpose Driven Life*, "God didn't create you to be alone."

Let us not give up meeting together, as some are in the habit of doing, but let us encourage one another--and all the more as you see the Day approaching. (Hebrews 10:25 NIV)
